Q: Can you hold a date for me while I make a decision to rent?

A: We do not place holds on space or dates without a deposit (which is non-refundable and non-transferable). We book on a first-come, first-serve basis.

Q: What is catering minimum?

A: Catering minimum is the total minimum amount to be spent in food and beverage selections. Catering minimum does not include rentals, labor or service charge.

Q: Are there any hidden fees?

A: No. Your event total will include the cost of your food and beverage, rentals, 24% service charge, and applicable state sales tax.

Q: Is there a payment schedule?

A: To book an event, a signed contract & initial deposit are required upon commitment. After which the following schedule applies:
120 days before the event - 50% Payment
5 business days before the event - Final Balance

Q: Can I attach anything to the walls, ceiling or glass?

A: You cannot attach anything to the walls, ceiling or glass at Montage, including the arbor in the gardens. We invite you to work with our preferred decor companies for pipe and drape decor and ceiling accents, and your florist for arbor decor.

Q: Who's here the night of the event?

A: Your Event Specialist will be here from the set-up of your event through dinner. Your Event Captain will be here from set-up through the end of your event, until the last guest has left the building.

A: Yes, Montage is exclusively catered by their parent company, Kahn's Catering. Outside food & beverage is not permitted.

Q: What time can vendors be allowed in the space to setup or deliver items?

A: Vendors are allowed into the event space 2 hours before the event is scheduled to begin. Vendors can load out from the end of the event up to one hour after the conclusion.

Q: Do I have to use your preferred vendor list?

A: No, you may hire any event professional that you would like to. Our preferred vendors are those we have worked with several times and trust their professionalism and skill.

Q: Can your caterer provide Indian meals?

A: Yes. Speak with your event specialist for pricing as items are al a carte.

events

Q: Can you host just wedding ceremonies?

A: We do not host just ceremonies. You can host your reception in our venue or your ceremony & reception.

Q: Our meeting requires an audio-visual presentation. Can you help?

A: All Montage spaces have audio-presentation equipment available. Riesling and Cabernet rooms use a built-in Sensory Technology presentation. Our other spaces use a small portable system. If your needs go beyond the scope of our system, we recommend our preferred audio-visual vendors.

Q: Do we need event insurance?

A: No, you do not. Montage and Kahn's Catering are both fully insured for your benefit.
