*exclusive caterer*

# WELCOME

As your full-service caterer we promise you two things: **great food and great service.**

Everyone on our team shares in this passion. These aren't buzzwords to us, these ideas are integral in everything we do. We believe that all we do should be "worth it" in your eyes, and that after the thank you cards have been sent, and the photos from your reception assembled, you will reflect on the moments and know that entrusting Kahn's Catering was the right choice for you.

For over twenty years Kahn's Catering has been a part of the Indianapolis community and during this time we've had the privilege of hundreds of couples trusting us on their special day. When we meet to plan their reception, they bring with them ideas, photos, hopes and visions. It's our job to listen, understand, and find a way to help create an event that is the perfect celebration of their own personal style.

We know that planning any event can be overwhelming. So allow us to guide and assist you through the planning process, from designing delicious menus, to personalizing all the details, and ultimately delivering a seamless and perfect event.

Thank you for considering Kahn's Catering!

# OUR STORY

It was 1996 when, in the back kitchen of Kahn's Gourmet Marketplace in Carmel, Kahn's Catering was born. Through a love for great food and beverage, Kahn's Catering began as a small boutique caterer providing service for small events and home parties. However, soon after opening we began receiving numerous requests for larger events.

Kahn's Catering spent the next decade perfecting our superior standards, growing our reputation and developing our relationships with Indianapolis' most desirable event venues. With humble roots in a kitchen not much larger than an average home kitchen, Kahn's has grown into the leading caterer in the city.
